## UNDERSTANDING SATAN'S PLAN To Counterfeit the Second Coming of Christ & the Restoration of All Things

### ENVIRONMENT

N.B. Each topic is titled with a familiar Bible term. The parenthesis ( ) which follows identifies either the actual or a *counterfeit fulfillment* of prophecy through the agency of the secret societies. Please see [Introduction](#) for protocols of this prophecy study.

- [Tribulation](#): The tidal waves will be attributed to the planetary alignment and shifting of the earth's crust.

#### PROPHETIC DISPENSATIONS

##### PROGRAM OF GOD

##### TRIBULATION / FIRST 3.5.YEARS

- God will turn 1/3 of the sea into blood.

And the second angel sounded, and as it were a great mountain burning with fire was cast into the sea: and the third part of the sea became blood; and the third part of the creatures which were in the sea, and had life, died; and the third part of the ships were destroyed - Rev. 8:8-9

### **GREAT TRIBULATION**

- **All of the seas will become as blood and all sea life will die.**

And the second angel poured out his VIAL upon the sea; and it became as the blood of a dead man: and every living soul died in the sea. - Rev.16:3

### **MILLENNIUM**

- **God will heal the sea.**

And it shall be in that day, that living waters shall go out from Jerusalem; half of them toward the former sea, and half of them toward the hinder sea; in summer and in winter shall it be. - Zech.14:8

### **NEW HEAVENS & NEW EARTH**

- **God will remove the sea.**

And I saw a new heaven and a new earth: For the first heaven and the first earth were passed away; and there was no more sea - Rev.21:1

## **PROGRAM OF SATAN**

### **OLD TESTAMENT PERIOD**

**King Solomon had a navy at sea with the navy of Hiram, King of Tyre.**

For the king had at sea a navy of Tharshish with the navy of Hiram: once in three years came the navy of Tharshish, bringing gold, and silver, ivory, and apes, and peacocks. - I Kings 10:22

### **CHURCH AGE**

- **The military has the capability of creating earthquakes in the ocean that cause tidal waves.**

"...the draft treaty presented to the August, 1975 Geneva Conference on International [Disarmament](#) by delegates from ...USA and USSR contained the ban of...causing [earthquakes](#) and tidal waves; ... guiding hurricanes or cyclones to strategic targets." - [65:47](#)

"The [military](#) has had about 20 years to work on weather warfare methods, which it euphemistically calls 'weather modification.' For example, rainmaking technology was taken for a few test rides in Vietnam. The U.S. Department of Defense sampled lightning & hurricane manipulation studies in Project Skyfire & Project Stormfury." - [22](#)

### **TRIBULATION**

- **The occult will create tidal waves which cause the sea to roar, and the islands and mountains to be removed.**

And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring, - Luke 21:25

And the heaven departed as a scroll when it is rolled together; and every mountain and island were moved out of their places. - Rev. 6:14

And there were voices, and thunders, and lightnings; and there was a great earthquake, such as was not since men were upon the earth, so mighty an earthquake, *and* so great... And every island fled away, and the mountains were not found. - Rev. 16:18, 20

"Graham Hancock has suggested in his book *Fingerprints of the Gods*, that an unusual planetary alignment at the end of the Great Cycle will cause a gravitational effect on the crust of the Earth, which is top-heavy with polar ice. The crust will slip, wiping out most of the life on Earth as a result of colossal tidal waves. However, this planetary alignment is due on 24 December 2011, which is the date given by Frank Waters in Mexico Mystique as the end of the Great Cycle. Since the end-point has now been confirmed as 21 December 2012, if we are due for crustal displacement, this alignment will probably NOT be the trigger." - [460](#)

## GREAT TRIBULATION / GOLDEN AGE

### PERSONAL APPLICATION

God *is* our refuge and strength, a very present help in trouble. Therefore will not we fear, though the earth be removed, and though the mountains be carried into the midst of the sea; *Though* the waters thereof roar *and* be troubled, *though* the mountains shake with the swelling thereof. Selah. *There is* a river, the streams whereof shall make glad the city of God, the holy *place* of the tabernacles of the most High. God *is* in the midst of her; she shall not be moved: God shall help her, *and that* right early. - Psalm 46:1-5

For the mountains shall depart, and the hills be removed; but my kindness shall not depart from thee, neither shall the covenant of my peace be removed, saith the LORD that hath mercy on thee. Isaiah 54:10

### 7-B. WATER OF LIFE (Sacred Lakes/Rivers)

#### PREMISE

- God will contaminate 1/3 of the fresh water in the first half of the Tribulation; God will contaminate all fresh water in the Great Tribulation.
- Satan will misrepresent God's judgment during the first half of the Tribulation Period as being the Great Tribulation judgment on sacred sites.

Satan's Counterfeit	Pre-Flood Era	Old Testament	Church Age	Tribulation	Great Tribulation	Golden Age	New Heavens & New Earth	

#### PROGRAM OF GOD

Tribulation: The two witnesses are empowered to turn water into blood.

Great Tribulation: All fresh water becomes blood.

Millennium: God heals/purifies the fresh water.

New Heavens & New Earth: There will be pure water in the New Jerusalem.

#### PROGRAM OF SATANIC DUPLICATION

Old Testament Period: King Solomon made pools of fresh water in his gardens.

Church Age: Transnational corporations owned by the secret societies are buying up and contaminating the world's fresh water supplies.

Tribulation: The corporations will sell the world's water to the highest bidders.

Great Tribulation: There will be wars over water shortages.

## PROPHETIC DISPENSATIONS

### PROGRAM OF GOD

#### TRIBULATION / FIRST 3.5 YEARS

- **The two witnesses are empowered to turn water into blood.**

And I will give power unto My two witnesses and they shall have power over waters to turn them to blood... - Rev.11:3-6

And the third angel sounded, and there fell a great star from heaven, burning as it were a lamp, and it fell upon the third part of the rivers, and upon the fountains of waters; And the name of the star is called Wormwood; and the third part of the waters became wormwood; and many men died of the waters, because they were made bitter. - Rev.8:10-11

#### GREAT TRIBULATION

- **God will turn fresh water into blood because of the occult use of fresh water sites as sacred sites and rites of vampirism.**

And the third angel poured out his VIAL upon the rivers and fountains of waters; and they became blood.. For they have shed the blood of saints and prophets, and you have given them blood to drink; for they are worthy. - Rev. 16:4, 6

(See: Vampirism / Human Sacrifice [20.H](#) )

#### MILLENNIUM

- **God heals/purifies the fresh water.**

They shall not hunger nor thirst... - Is.49:10

And it shall come to pass in that day, that the mountains shall drop down new wine, and the hills shall flow with milk, and all the rivers of Judah shall flow with water, and a fountain shall come forth of the House of the Lord, and shall water the valley of Shittim. - Joel 3:18

#### NEW HEAVENS & NEW EARTH

- **There will be pure water in the New Jerusalem.**

And he shewed me a pure river of water of life, clear as crystal, proceeding out of the throne of God and of the Lamb, - Rev.22:1

### PROGRAM OF SATAN

#### OLD TESTAMENT PERIOD

- **King Solomon made pools of fresh water in his gardens.**

I made me pools of water, to water therewith the wood that bringeth forth trees: - Eccl. 2:6

## CHURCH AGE

- **Transnational corporations are buying the world's fresh water supplies.**

"Then I watched these [international corporations](#) that own the [central banks](#) grabbing up all the water supplies worldwide, trying to make farmers put meters on their wells, and in very temperate areas, lots of water with aquifers brimming. And we see this consolidation; this really is fascism. They [socialize the wealth](#) and transfer it through a wealth pipeline, no pun intended, to themselves... You know who's one of their big buddies is Jeb Bush out of Florida. He was behind the scenes to turn over to a company named Azurix, the fresh water that comes out of the Everglades. Which right now, anyone from any of these cities can take the fresh water from the Everglades without cost to consumers. At the moment, the water is being contaminated by sugar plantations – big, big contributors to the Bush family and, by the way, to the Democratic Party. They are the biggest contributors to both parties in Florida. Isn't that interesting? And those guys who are destroying the water of the Everglades, rather than being told to clean up their act, which would cost them about \$800 million. Instead, this company Azurix said, we'll you give us the water, we'll clean it up, as long as you let us resell it. Azurix was until a couple of months ago, a 100% owned subsidiary of Enron.

"...As if they own water that was already there. Meanwhile they are forcing the families and the neighborhoods out, saying they are going to flood their land and using the phony environmental movement to clean them off the land so they can own it, when they are the ones actually hurting the environment. It's just so classic.

"...I'm concerned because I saw this happen in Britain where the water was privatized and the water bills went up 250%. Enron took over a big company called Essex Water. It got to the point where you could get arrested in Britain for watering your lawn during certain weeks.

"...They call it privatization but it's not. It's like Hitler saying, 'all right Herman Goerring, we're going to privatize this factory. You own it now.' I mean that's all their doing. This is not free market." - [650](#)

[Maurice Strong](#), head of American Water Development Inc. and chairman & CEO of Ontario Hydro. - [68:6](#)

"At 31, [Maurice Strong] became the President of Power Corporation of Canada. He headed both Petro Canada and Hydro Canada, and made a few deals on the side as well, one of which was the acquisition in 1978 of the Colorado Land & Cattle Company which owned 200,000 acres of San Luis Valley in Colorado -- from Saudi arms dealer Adnan Khashoggi.

"The ranch, called Baca, sat on the continent's largest fresh water aquifer. Strong intended to pipe the water to the desert southwest, but environmental organizations protested and the plan was abandoned. Strong ended up with a \$1.2 million settlement from the water company, an annual grant of \$100,000 from Laurance Rockefeller, and still retained the rights to the water." - [701](#)

"Ontario Hydro teams up with Quebec Hydro & Power Corp. of Canada (Paul Desmarais) and lawyer Brian Mulroney to form Asia Power Corp to develop China's energy potential." - [75](#)

- **Multinational corporations are contaminating the world's water supplies.**

"In the coming decades, humanity will face one of the most devastating of all environmental crises - the depletion of the Earth's life-giving freshwater. As a consequence of unsustainable extraction rates, river systems and aquifers around the globe are literally drying up. Coupled with abusive land use practices, such as deforestation and industrial agriculture, and the increasing demands of water-intensive industries, especially high-tech manufacturing, freshwater is being depleted and contaminated at rates greater than nature can replenish. The frightening onslaught of the freshwater crisis is being accelerated

by rapid population growth. In particular, the emergence of an urban middle class in developing nations whose water demands greatly exceed that of their poorer rural counterparts, is helping to accelerate the crisis. As a result, the demand for freshwater is increasing at twice the rate of population growth.

"Meanwhile, multinational corporations, aided by irresponsible or corrupt governments and sanctioned by the free trade policies of the World Trade Organization and the World Bank, are taking control of once publicly-owned water supplies for a singular purpose - profit. In the name of the free market, these unscrupulous institutions, and those who run them, rally behind the principle that all resources on the planet, including genetic material, forests, soil, air, and water, are commodities." - [758](#)

- **Chlorinated water is a serious health hazard.**

"The long-term health and environmental effects of the estimated 70,000 different synthetic chemicals currently in use are largely unknown and untested. About 1,000 new chemicals enter the market every year. Many of these are toxic, are spread globally and concentrate in the food chain, ending up on our dinner plates. In particular, the group of chlorine-based chemicals are known to damage the immune and reproductive system in animals and humans, and pose major risks to developing foetuses. An urgent commitment is necessary to move towards a global system of 'clean production', within a generation. As a first step, governments should conclude by 2000 at the latest, a legally binding international treaty banning persistent organic pollutants (POPs)." - [760](#)

## **TRIBULATION / FIRST 3.5 YEARS**

- **Corporations will sell fresh water to the highest bidders.**

"As the water crisis intensifies, governments around the world — under pressure from multinational corporations — are advocating a radical solution: the commodification and mass transport of water. Proponents of commodification, and subsequent privatization, say that such a system is the only way to distribute water to the world's thirsty. But, in fact, experience shows that selling water on the open market does not address the needs of poor, thirsty people. On the contrary, privatized water is delivered to those who can pay for it, such as wealthy cities and individuals and water intensive industries such as agriculture and high-tech. As one resident of the high desert in New Mexico observed after his community's water was diverted for use by the high-tech industry: 'Water flows uphill to money.'

"The push to commodify water comes at a time when the social, political and economic impacts of water scarcity are rapidly becoming a destabilizing force, with water-related conflicts springing up around the globe. For example, Malaysia, which supplies about half of Singapore's water, threatened to cut off that supply in 1997 after Singapore criticized its government policies. In Africa, relations between Botswana and Namibia have been severely strained by Namibian plans to construct a pipeline to divert water from the shared Okavango River to eastern Namibia. Much has been written about the potential for water wars in the Middle East, where water resources are severely limited. The late King Hussein of Jordan once said the only thing he would go to war with Israel over was water because Israel controls Jordan's water supply.

"Meanwhile, the future of one of the earth's most vital resources is being determined by those who profit from its overuse and abuse. At the annual World Economic Development Congress, which follows the annual International Monetary Fund/World Bank meeting, corporations and financial institutions met with government representatives from more than 84 countries to attend panels on such subjects as 'Overcoming Obstacles to Water Investment' and 'Navigating Transparency and Banking Regulation in Emerging Capital Markets.' The agenda was clear: water should be treated like any other tradable good, with its use determined by market principles.

"At the same time, governments are signing away their control over domestic water supplies by participating in trade treaties such as the North American Free Trade Agreement (NAFTA) and institutions such as the World Trade Organization (WTO). These agreements effectively give transnational corporations the unprecedented right to the water of signatory countries.

"Already, corporations have started to sue governments in order to gain access to domestic water sources. For example, Sun Belt, a California company, is suing the government of Canada under NAFTA because British Columbia (B.C.) banned water exports several years ago. The company claims that B.C.'s law violates several NAFTA-based investor rights and therefore is claiming US\$220 million in compensation for lost profits.

"With the protection of these international trade agreements, companies are setting their sights on the mass transport of bulk water by diversion and by super tanker. Several companies are developing technology whereby large quantities of fresh water would be loaded into huge sealed bags and towed across the ocean for sale.

"The U.S. Global Water Corporation, a Canadian company, is one of those seeking to be a major player in the water trade. It has signed an agreement with Sitka, Alaska, to export 18 billion gallons per year of glacier water to China where it will be bottled in one of that country's "free trade" zones to take advantage of cheap labor. The company brochure entices investors "to harvest the accelerating opportunity...as traditional sources of water around the world become progressively depleted and degraded."

"Selling water to the highest bidder will only exacerbate the worst impacts of the world water crisis." (Maude Barlow, International Forum on Globalization, Chair, Committee on the Globalization of Water) - [759](#)

"...in the Russian Bible, Chernobyl is the Russian word for 'wormwood', the name of the star that fell to earth and poisoned the waters in the Book of Revelation." - [42:44](#)

## GREAT TRIBULATION / GOLDEN AGE

- **Water will be in short supply, causing wars over shortages.**

"The wars of the next century will be about water." (The World Bank) - [759](#)

## PERSONAL APPLICATION

### 7-C. RIVER OF LIFE (Temple Mount Flood)

#### PREMISE

- At the beginning of the Millennium, God will send a river of life from the Millennial Temple to help His people.
- At the beginning of the Golden Age, Satan will send a river of death from Solomon's Temple to destroy God's people.

God's Plan	Pre-Flood Era	Old Testament	Church Age (Last Days)		Tribulation	Great Tribulation	Millennium	New Heavens & New Earth
Satan's Counterfeit	Pre-Flood Era	Old Testament	Church Age	Tribulation	Great Tribulation	Golden Age	New Heavens & New Earth	

## PROGRAM OF GOD

[The Millennium](#): Living waters will issue from the Millennial Temple to heal the Dead Sea area and the Jordan Valley.

## PROGRAM OF SATANIC DUPLICATION

[Pre-Flood Era](#): The Jordan Valley and the Dead Sea were a great lake called Lisan.

[Old Testament Period](#): The Essenes chose to occupy the Qumran site based on God's prophecy in Ezekiel 47.

Great Tribulation: When the Jews flee from Jerusalem, Satan will attempt to destroy them with a flood which flows from the Temple Mount down to the Dead Sea and the Jordan Valley. The floodwaters will be swallowed by an earthquake along the Jordan Rift.

## PROPHETIC DISPENSATIONS

### PROGRAM OF GOD

#### THE MILLENNIUM

- **Living waters will issue from the Millennial Temple to heal the Dead Sea area and the Jordan Valley.**

Afterward he brought me again unto the door of the house; and, behold, waters issued out from under the threshold of the house eastward: for the forefront of the house stood toward the east, and the waters came down from under from the right side of the house, at the south side of the altar... and it was a river that I could not pass over: for the waters were risen, waters to swim in, a river that could not be passed over... Then said he unto me, These waters issue out toward the east country, and go down into the desert, and go into the sea: which being brought forth into the sea, the waters shall be healed. And it shall come to pass, that every thing that liveth, which moveth, whithersoever the rivers shall come, shall live: and there shall be a very great multitude of fish, because these waters shall come thither: for they shall be healed; and every thing shall live whither the river cometh. - Ezek. 47:1,5,8,9

And it shall be in that day, that living waters shall go out from Jerusalem; half of them toward the former sea, and half of them toward the hinder sea; in summer and in winter shall it be. - Zech.14:8

### PROGRAM OF SATAN

#### PRE-FLOOD ERA

- **The Jordan Valley and the Dead Sea were a great lake called Lisan.**

"The Jordan Valley, including the Dead Sea and the Araba, was a lake in prehistoric times...the Lisan." - [590:62](#)

#### OLD TESTAMENT PERIOD

- **The Essenes looked forward to a river coming from the Temple in Jerusalem to heal the Dead Sea.**

"The Religious Teacher [of the Essenes] had apparently supported the Maccabees until Jonathan appointed an illegitimate priest [not a descendant of Zadok], whereupon the withdrawal to the Qumran took place. The site by the Wadi Qumran may have been chosen in anticipation of the transformation of the river that is to flow from the Temple to the Dead Sea, as promised in Ezekiel 47. An earthquake apparently ruined the settlement in 31 B.C., but a rebuilding took place about the time of the birth of Jesus. The documents from this latter period depict the Romans as allied with the children of darkness, and it was Roman troops that destroyed the settlement in A.D. 68." - [234:258](#)

### GREAT TRIBULATION / GOLDEN AGE

And the serpent cast out of his mouth water as a flood after the woman [Israel], that he might cause her to be carried away of the flood. And the earth helped the woman, and the earth opened her mouth, and swallowed up the flood which the dragon cast out of his mouth. - Rev.12:15-16

And with the arms of a flood shall they be overflowed from before him, and shall be broken; yea, also the prince of the covenant. - Dan 11:22

- **The river will be created when Satan/Saturn causes a rock to be removed at the Temple site.**

"The West Semitic deity Shalem or Shulman is the god whose name is perpetuated in that of the city of Jerusalem, 'the foundation of Shalem.' In the Assyrian vocabulary...he is identified with Ninurta, the Assyro-Babylonian deity manifested in the planet Saturn...just as Ninurta in Assyria and Babylonia was looked upon as the founder of a number of cities and El Kronos, the Saturn deity deity of the Canaanites, was deemed the founder of Byblos in Phoenicia...so too was the Saturn deity of Jerusalem [was] regarded as the city's founder. His city, particularly the sacred precinct within it, restrained the waters of chaos beneath, and was considered the center of the earth." - [95:820](#)

"A rock in the Holy of Holies of the [Jerusalem temple](#) (located in the space underneath the ALTAR for burnt offerings) was...thought of as the site of the Creation and the ideal midpoint of the world - and also as sealing in the subterranean waters of the 'Tehom', which, according to Talmudic tradition, came gushing forth whenever the [omphalos](#) was removed." - [100:246](#)

- **This flood, which will be a recreation of Noah's flood in the occult return to a Golden Age, will coincide at mid-Tribulation with the New Heavens and New Earth.**

"All Eastern and Western traditions relate [Aquarius] to the symbolic flood which stands for the end of a formal universe..." - [48:15](#)

- **God will cause an earthquake along the Jordan Rift which will swallow up the flood waters.**

"The country [of Palestine] was split in the middle by the Jordan Rift, which is a part of the c. 6500 km. long Syro-African rift that starts in Turkey in Antioch. The Rift continues with the Beqa and Orontes Valleys, the Jordan Valley, the Dead Sea...and ends in Lake Malawi in Africa... At times there has been intense earthquake activity along this rift. The Jordan Valley, including the Dead Sea and the Araba, was a lake in prehistoric times...the Lisan." - [590:62](#)
